

## Broken Heart

Written by Marcel Spiess ©2017

Broken heart wounded soul  
walls inside built up over years  
friends lost nobody found  
cold heart bitterness takes hold

### Chorus:

I see a light shining over me  
there is a hope and strength and  
endless love  
everything restored, son of the king  
new mind and soul, a newborn child

forgotten promises abused mind  
rejected love and I was deeply  
grieved  
painfull body twisted face  
empty soul my life was torn apart

### Bridge:

I'm so glad and thankful for everything  
you've done  
I can't describe what you mean to me  
There are no words to tell you how  
much I love you Jesus  
I can't describe what you mean to me

## Father

Written by Marcel Spiess ©2017

you were a little girl  
you had a tough start  
now you're grown up  
on your own feet

you were a little girl  
you had a rough start  
now you've got wings  
and you fly away

### Chorus:

I'm your father  
I'm like no other  
you're my daughter and son  
I gave my live  
so that you run free  
can't you see, you belong to me

you were a little boy  
you had a tough start  
now you're grown up  
on your own feet

you were a little boy  
you had a rough start  
now you've got wings  
and you fly away

### Bridge:

you're restored  
by my name

## The Key To Your Heart

Written by Marcel Spiess ©2017

you say:

„come closer, go away from me  
listen to me, please leave me alone  
I like you and I hate you  
I know who I am, what am I here for?“

### Chorus:

where did you drown the key to your  
heart?  
if you've lost it I can tell you:  
„you can get it back!“  
just let yourself sink deep down down  
down  
into the water and search

when you've found the key, open the  
door  
show the treasures which are behind  
gold and silver, diamonds to be cut  
can you imagine? Can you believe  
that?

## Breathe New Life

Written by Marcel Spiess ©2017

breathe love into my dry bones  
I must confess that I'm guilty  
after a short time my eyes are blind  
again  
lord, have mercy and open my eyes

### Chorus:

turn my self-defense  
into humility  
take my addiction for  
human reputation

renew my heart so my soul stays  
strong  
I wanna see myself in your light  
plant roses on this pile of crap  
I'm all yours I take a swim in your love

## Runaway Child

Written by Marcel Spiess ©2017

I don't know how to trust  
I've tried, but its long ago  
I have no father, I don't know him  
How can you tell me, there is a love

I hate my mother and I hate my life  
I got abused by the ones I loved  
But you can't understand, no no  
Maybe I should run away

### Chorus:

Hold on, runaway child  
don't give up, give me a chance  
you're not lost, my daughter and son  
why can't you see, you're not alone  
in this misery

nobody cares and nobody sees  
But I don't care, I got used to it  
Why do you want me, why should you  
care?  
Its hard and tough, I have to survive

I hate my teacher, I hate my school  
I have no future in this world  
Do you have time, time for me?  
I'd like to talk „  
maybe I can trust“

### Bridge:

There is a hope  
There is a love  
There is peace  
from up above

## My Sheep Hear My Voice

Written by Didier Kramer ©2017

My sheep hear my voice, and I know them  
And they follow me  
they will never perish, and no one will  
snatch them out of my hand

my father, who has given them  
to me is greater than all  
no one is able to snatch them out  
of my fathers hand

### Chorus:

I give eternal life to them  
I give eternal life to them

I am the good shepherd  
I know My own and my own know me  
even as my father knows me  
I know my father

I am the good shepherd  
I lay down my life for the sheep.  
no one has taken it away from me  
but I lay it down on my own

### Chorus Ending:

I have authority to lay it down  
I have authority to take it up again

## One

Written by Marcel Spiess ©2017

our love is strong  
through pain and sorrows  
and I promise you  
you're my best friend forever

when our love might grow cold  
I will stay by your side  
and I'll fight for our love  
'cause I won't kill our heart

### Chorus:

one love  
one one one one love, we are one  
tonight  
one love  
one one one one love, your running  
through my veins

I'm a sinful man  
baby, please forgive me  
god wash us clean as snow  
so we are free again

when our love might grow cold  
I will stay by your side  
and I'll fight for our love  
'cause I won't kill our heart

### Bridge:

I will live with you  
and I will die with you  
the ribbon of god  
binds us together
